SURPLUS LIST

DECEMBER 30th, 1931

Heikes' Huntsville Trees

TO THE TRADE:

We take pleasure in handing you herewith a copy of our complete Surplus List showing exact counts of the various items we have available for Spring trade. All of the Fruit Trees, Deciduous Shrubs and Roses are now in our Warehouse, carefully graded and well cared for, which will enable us to make shipment promptly if desired, or, we can hold until later if it suits the buyer's convenience better.

We are showing complete surplus counts of the Coniferous and Broad Leaved Evergreens which are still in the field. These counts, we believe, are accurate and we hope that they may be of some benefit to our prospective customers in arriving at their requirements.

As usual, we expect to make up combination cars for distribution at the various principal distribution centers, as, St. Louis, Missouri; Chicago, Illinois; Rochester, New York, and Philadelphia, Pennsylvania. Where the buyers can give us latitude as to time of shipment, we can nearly always save quite a bit on freight by including in combination cars for one of the above named points.

Terms and Conditions are as given in our Wholesale Price List and are a part of every sale made from this list.

We solicit your orders with every assurance that we will be able to please you with the grade, quality and service.

The Huntsville Wholesale Nurseries

(Incorporated)

HUNTSVILLE, ALABAMA

FRUIT TREES

APPLE AND CRAB—Two Year, Budded and Grafted

	Cipher	Per 100
5 to 7 feet, 11/16 and up, well branched	PAX	$22.00
